

Our last "official" run of the Summer Swing Series is in the books. It's been a great series and I enjoyed seeing all of you this summer. Our numbers were a bit higher than last year, but we have plenty of room for growth. If you have any thoughts or suggestions that would help make the series more attractive, please drop me an e-mail at durunforfun@yahoo.com. We will continue to meet on Tuesday nights at 6:00pm at the Opelika Recreation Center on Denson Drive, but a bit more informally. We welcome runners or walkers of any fitness level; come join us. Thanks to all of you that helped bring food, cook, clean up, and donated funds to help with expenses. It was fun! We'll try it again next year!
